We are glad to be able to report a good attendance, also that the pupils have made a marked improvement. We have been fortunate in our teachers. They have been hard working, anxious and ambitious to make a success of their schools.

The district will receive, from the State, \$56 for the 28 weeks' service that Miss Agnes E. Hall has rendered the district, \$12 of which has already been paid, the remainder will be paid this year. She being the holder of a New Hampshire State certificate.

Respectfully submitted,

ROBERT S. WARD
HUGH NELSON

On account of the schools not having finished, and of getting the reports printed in time for distribution, we are unable to print a list of the role of perfect attendance.
